

BA Musical Theatre Programme Costs

Undergraduate Programmes within the School of Drama, Dance, Production and Film have a range of associated costs related to the specific activities required and advised by the programme team.

In order to ensure fairness and parity of experience in relation to certain core programme activities a one off payment to cover a proportion of necessary costs is required of the student at matriculation.

Please see the table below which details additional costs to assist with budgeting:

Some Basic Requirements and Information

- Laptops or tablets that include a good camera and microphone are recommended. Though most smart phones can help with audio/video recording, they're not ideal for online engagement with lessons, seminars and workshops.
- A personal recording device (smart phone / digital voice recorder) * see above
- Good headphones. These do not need to be specialised or expensive – just reliable, comfortable, and not broken.
- Sheet music – bring your entire repertoire/portfolio as it currently stands and a ring binder to help you organise
- Notebooks, journal, diary/planner
- Water bottle and reusable coffee/tea cup – make sure both are spill proof
- Each module has a recommended resource list and tutors will advise you as to any required reading materials including books and plays, which you may need to purchase. All books listed for reference in the handbook are available through the RCS library.
- Musical Instruments and Insurance: you should bring any portable instruments you currently own and are hoping to work with during the course.

It is your responsibility to ensure that your musical instrument/s are fully insured against loss or damage whilst on the RCS premises. Please note that the Conservatoire is unable to recommend a particular insurance provider. Check first whether your instrument/s are insured through a family home contents insurance policy, and compare premiums from multiple providers before arranging a new policy.

Rehearsals, Acting & Performance Classes

We want you to feel comfortable and confident in class and rehearsals.

- We recommend that you wear loose fitting clothes for all acting and performance classes. Comfortable trousers and tops are the most sensible. Jeans and jewellery are not appropriate for any movement work.
- Lightweight trainers are preferable to heavy boots or heels of any kind.
- Rehearsal clothes can include your everyday clothes, but are best when simple and neutral so that your work is always the focus.

Dance Classes

- You can wear any dancewear of your choice, in any colours, provided they are practical.
- You should be able move freely, but your clothing should not be so baggy as to be either a health and safety risk or limit the assessment of movement.

We recommend you have some of the following **practical necessities**:

CLOTHING	FOOTWEAR/EXTRAS
Sports bra / Dance belt (as appropriate)	Jazz shoes
Slim fitting t-shirts / vests / leotards	Ballet shoes
Joggers / jazz pants/ leggings / yoga pants	Tap shoes
Socks	Knee pads / foam roller (as required)

Projects and Performances

- **You will need at least one smart outfit** that you can wear for concerts, gigs, or more formal occasions. It should be simple and classy, in darker colours, with no loud prints or lots of embellishment.
- You should also have one outfit combination from the following basic black kit for dance workshops and other performance projects.

CLOTHING	FOOTWEAR
Black jazz pants / leggings / yoga pants	Black jazz shoes
Black leotard / slim-fit top/ T-shirt / Vest	Black lace-up character shoes
Black unitard	Black character heels
Black tights
